

Debit Card Error Resolution Notice

Member Liability-You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, TELL US AT ONCE if you believe your Card and/or access code has been lost or stolen, if you believe someone has used your Card or access code or otherwise accessed your accounts without your permission, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

You are not liable for an unauthorized MasterCard debit card transaction that was not conducted at an ATM if you can demonstrate that you exercised reasonable care in protecting your Card from loss or theft, you have not reported two (2) or more incidents of unauthorized use in the past twelve (12) months, and your account is in good standing.

Otherwise your liability for an unauthorized MasterCard debit card transaction that was not conducted at an ATM will be no more than \$50.00.

For all other EFT transactions involving access devices, including transactions conducted at ATMs, your liability for unauthorized transactions is determined as follows. If you tell us within two (2) business days, you can lose no more than \$50.00 if someone used your Card or code without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your Card or code, and we can prove that we could have stopped someone from using your Card or code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, code or other means, TELL US AT ONCE. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.
